OC Human Relations · #HATEFREEOC

At OC Human Relations, we believe that ALL people should live free of violence and discrimination.
As a community, we PLEDGE to stand together to combat hate and prejudice, to embrace diversity as a strength, and to model respect and understanding for ALL people. If you stand with us, please sign, live, and share our pledge.

OC Human Relations' #HateFreeOC Pledge
to Support a Respectful & Inclusive Community

I PLEDGE to respect others regardless of their race, ethnicity, gender expression, sexual orientation, physical or mental ability, age, or religious affiliation.

I PLEDGE to do my part to create an inclusive, hate-free environment in my community, neighborhood, business, workplace and/or school.

I PLEDGE to speak up in instances of prejudice and discrimination.

I PLEDGE to challenge myself to be a more effective listener to the concerns of others who have different perspectives and experiences than mine.

I PLEDGE to eliminate all forms of prejudice from my words and actions.

I PLEDGE to report hate activity and hate crimes.

I PLEDGE to be an ally to communities that have been targeted by hate and prejudice.

Therefore, **I will treat all people with dignity and respect**; and **I will strive daily** to honor this pledge, knowing that the world will be a better place because of my effort.

Inspired by the Birmingham Pledge.
